REQUEST FOR CORRECTED PUBLISHED APPLICATION

Sir:

Attached hereto is a copy of the first page of the above published Application as it appears on the Published Patent Application page of the U.S. Patent & Trademark Office's web site.

The name of the eighth inventor, *Van Gelder*, Joel M., is erroneously set out as *Gelder*, Joel M. Van.

Because of this error, a search for the family name, *Van Gelder*, will not result in finding this Application or patent if this error is carried forward to an issued patent.

Also attached herewith is a copy of the Official Filing Receipt received for this Application. Please note that the family name of the eighth inventor, Joel M. Van Gelder, is correctly set out.

Please correct the publication information to reflect the proper spelling of the eighth inventor as *Van Gelder*, Joel M.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Sol Sheinbein".

Sol Sheinbein
Registration No. 25,457

United States Patent Application**20040213789****Kind Code****A1****Yacoby-Zeevi, Oron ; et al.****October 28, 2004**

Heparanase activity neutralizing anti-heparanase monoclonal antibody and other anti-heparanase antibodies

Abstract

Specific anti-heparanase antibodies which bind specifically to heparanase having sequence homology to human heparanase, which can be used to treat and diagnose conditions associated with heparanase catalytic activity, for purification of heparanase, and for drug development in heparanase associated conditions are disclosed.

UPDATED FILING RECEIPT

OC000000013261687

Date Mailed: 07/19/2004

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

Heparanase activity neutralizing anti-heparanase monoclonal antibody and other anti-heparanase antibodies

Preliminary Class

514

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
